

Log In

1. The PayDC Web Version can be accessed by virtually any web browser. Copy and paste the address, portal.paydc.com, into your address bar (not the search bar) of your browser or click on the link: <https://portal.paydc.com/> to reach the PayDC Log In screen.
2. Enter your Username (email address that you subscribed with or assigned by your company) and Password. These credentials will be the same ones that you use for the “PayDC legacy” application. If you have not yet logged into the PayDC legacy application, you will need to obtain your password from your PayDC trainer.
3. Click the “Login” button.

4. You'll automatically land on our Home screen, the Provider Dashboard.
